PARTS ILLUSTRATION FOR MODEL LISTED ON PAGES 60 AND 61

NOTE 1 — CONNECTING ROD ASSEMBLY. Owing to the precision of the matching of connecting rod with the needle cages, the connecting rod stripped is not retailed. Please order the connecting rod assembly, No. 1585. The connecting rod assembly including: the connecting rod — the small end needle cage — the big end needle cage — the crankpin — the crankpin plugs — the crankpin washers.

NOTE 2 — CRANKPIN. The crankpin 14020 illustrated is a hollow pin whereas the crankshafts subject to repair have a full crankpin which is not supplied as spare; the repair being easier with a hollow crankpin and plugs No. 654.
